

PHURIDA NANTHAPHAKPHONG

Address: 520/16, Mueang Ranong District, Ranong 85000
Phone: 065-950-7825
Email: phurida.np@gmail.com

SUMMARY

Biomedical Engineering student specializing in non-invasive diagnostic devices and photonic biomedical applications. Hands-on experience spanning hardware prototyping, biomedical signal analysis, and clinical-grade medical equipment calibration in real hospital settings. Track record of 3 nationally funded innovation projects and multiple award-winning inventions at Thailand's premier student inventor competitions

ACTIVITIES & ACHIEVEMENTS

- Medical Equipment Calibration Service** **November 2025**
 - Provided medical equipment calibration services for hospitals and managed masterlist documentation during operations
- Thailand New Gen Inventors Award 2025 (Silver Medal)** **February 2025**
 - Received Silver Medal for a chronic wound relief control device project
- TED Fund 2024** **June 2024**
 - Received 100,000 THB funding support for a chronic wound relief control device project
- Smart Start Idea by GSB Startup**
 - Received 50,000 THB funding support for a smart sweetness measuring glass project
- Thailand New Gen Inventors Award 2024 (Gold Medal)** **February 2024**
 - Received Gold Medal and The JIP A Award for Best Innovation for ICT from a fingertip blood pressure monitoring device project

EDUCATION

- Bachelor of Biomedical Engineering, Year4** **May 2023 - present**

Rangsit University

 - Thesis on Development and Efficiency Enhancement of a Photonic Device for Blood Glucose Reduction

PROJECT

- Photobiomodulation Device for Blood Glucose Reduction
- Chronic Wound Relief Control Device
- HRV-Based Stress Analysis System
- Heart Disease Risk Prediction System
- Medical Equipment Borrowing Management System

ADDITIONAL INFORMATION

- Technical Skills:** Medical Device Development, Biomedical Signal Analysis, Healthcare System Development, Prototype Development, Research and Innovation Project Development
- Programming & Tools:** Python, MATLAB, Arduino, SQL, GitHub, Microsoft Office
- Languages:** Thai (Native), English (Intermediate)
